Dear CIA Candidates

Review Courses on CIA Examination, Part I, II & III

About the Courses

The purpose of these courses is to help candidates prepare for the CIA examination. A full day course will be allocated for each part of the examination. The short duration of the courses means that it is not possible to cover all aspects of examination in the same level of intensity. However every effort is made to give a reasonable spread over the respective sections, focusing on the key areas and concepts. Selected questions will be raised throughout the course for discussion.

About the Course Leader

Mr Sia Nam Chie – Part I, II & III

Mr Sia began his career as an external auditor in a Big 4 accounting firm before moving into internal audit in a telecommunication company and banks. He has more than 12 years of audit experience. Mr Sia currently works as Operational Risk Manager for a leading financial institution. His other experiences include fraud investigation, IT Security, Disaster Recovery reviews and Risk & Control Self-Assessment. Academically, Mr Sia has MBA (Distinction) and is a CPA, CIA & CISA.
