Dear Members

Free Talk on

Increase Your Chances of Passing the CIA Exam

8 July 2011

by Mr Dan Schatzlein, Vice President, IIA Client Relations,
Holmes Corporation

What you will gain from this Talk:

YOUR OPPORTUNITY TO...

- Be informed of the changes to the IPPF
- Overview of the CIA exam
- Learn the Study Techniques from the expert

Description

The IIA's CIA Learning System is a comprehensive professional development and Certified Internal Auditor (CIA) exam preparation programme. It combines printed materials with online tests, study tools, and resources to teach the entire global CIA body of knowledge. This programme offers premier-quality training that meets the unique demands of internal audit professionals and employers.

Why Choose The IIA's CIA Learning System?

- **Current Content:** The program was updated and enhanced in July 2010.
- **Expert Design:** A team of 12 CIA-certified industry experts created the Learning System to be the most current, comprehensive, and effective CIA review program available.
- **Ongoing Feedback:** Interactive Web-based study tools provide immediate instructional feedback that references the printed materials, directing you to topics that require further review.
- **Customized Training Options:** Self-directed materials can be combined with live or online instructor-led courses, allowing you to customize your personal or corporate training.

Self-Directed Materials

The IIA's CIA Learning System combines printed materials and interactive online software. These tools have been designed to teach and reinforce the entire global CIA syllabus in a concise, easy to understand format. Self-study materials include:

Print Materials

- Four print modules that correspond to the four parts of the CIA exam.
- Content includes the entire global CIA exam syllabus. Topics were updated in July 2010 to align with international professional practices.

Interactive Software

- Pre-tests identify which topics require intensive study.
- Section quizzes test comprehension and retention of concepts.
- Post-tests gauge knowledge gained and identify areas requiring further study.
- eFlashcards and glossary offer review of key terms and definitions.
- CIA Practice Exams build confidence with the computer-based CIA exam software.
- Progress reports track activities and scores.

*Special discount of S\$100 will be given to attendees
for the purchase of the CIA Learning System*
