Dear CIA Candidates

Review Courses on CIA Examination, Part I, II & III

About the Courses

The purpose of these courses is to help candidates prepare for the CIA examination. A full day course will be allocated for each part of the examination. The short duration of the courses means that it is not possible to cover all aspects of examination in the same level of intensity. However every effort is made to give a reasonable spread over the respective sections, focusing on the key areas and concepts. Selected questions will be raised throughout the course for discussion.
